280,000 €

Bornes de Aguiar, Vila Pouca de Aguiar, Vila Real

Referência: 322/T/02345

This plot of approximately 37,760 m², located a few minutes from the village of Pedras Salgadas, offers a unique potential to develop initiatives of public interest, such as tourist, recreational, environmental projects or community support infrastructures.According to the PDM regulation, the space allows the implementation of sustainable projects that benefit the region, promoting social, environmental and economic development.An excellent opportunity for investors who want to create a project with a lasting impact in the region!
