Villa

100,000 €

Zebreira e Segura, Idanha-a-Nova, Castelo Branco

Referência: 801/M/00057

Secular house of 1922 maintaining its originality of construction of the time. Your right foot has a proportional height of the century with 3m height. The walls keep intact in its interior and the wooden floor being treated over time by the owners. Its staircase still meets the originality of the century with simplicity. The doors are still in wood, but the windows have been replaced by aluminum ones not taking away the beauty of the villa. It consists of 3 floors and each of them with very wide areas. It also has a patio / backyard where is inserted an old kitchen still with trace
