Apartment T2

Santa Clara e Castelo Viegas, Coimbra

417,000 €

Referência: 385/A/00939

Voluta is much more than a building: it is the harmony between the tradition of Coimbra and the modernity of living well. Inspired by the volute—the spiral that shapes the capitals of ancient architecture and the unmistakable Portuguese guitar—the development is located next to the Mondego River, where the city breathes history and culture.With a circular architecture that makes it unique in the landscape, Voluta is spread over three floors and combines housing and commerce in a single concept. There are nine modern apartments, of types T1 an
